QUEEN'S BEST

First there was Shea Stadium, then Woodstock, followed by Altemont. We now present you with Queen's Best 1980! This year's show promises to be unique with an appealing blend of comedy to classic—folk to rock.

The Queen's Best show is an annual event allowing Queen's students the opportunity both to perform and be entertained. The diversity and quality of talent which exists on campus is incredible, and the show you are about to see promises to be just that!

Queen's Best is produced by the Queen's Entertainment Agency, with all proceeds of the show going to Camp Outlook. Camp Outlook provides underprivileged children from the Kingston area with the opportunity to hike, canoe, and explore the wilderness.

So sit back, listen, watch, and enjoy Queen's Best 1980— a show sure to appeal to all!
